Truck and Engine Manufacturers Issue Statement Congratulating Joe Goffman on Confirmation To EPA

Association of leading manufacturers reaffirm their commitment to collaborating with Goffman in his new role

CHICAGO, IL – The Truck and Engine Manufacturers Association (EMA) today issued the following statement in response to Joseph Goffman’s senate confirmation:

EMA President Jed R. Mandel said, “On behalf of EMA I wish to extend our congratulations to Joseph Goffman on his confirmation to lead the Environmental Protection Agency’s (EPA) air office. We share Mr. Goffman’s goals to advance policies that will lead to cleaner air and healthier communities, and we remain committed to doing our part to reduce greenhouse gas emissions and criteria pollutants through the transition to zero-emission commercial vehicles (ZEVs). We look forward to continuing to work collaboratively with Mr. Goffman, the EPA and other stakeholders to develop and implement thoughtful federal policies that speed the transition to ZEVs.

More information about EMA’s vision, policy positions, and advocacy efforts is available at www.cleantruckfacts.com.

###

The Truck and Engine Manufacturers Association (EMA) represents the world’s leading manufacturers of medium-and heavy-duty commercial vehicles, internal combustion engines, and zero-emission powertrains. EMA works with governments and other stakeholders to help the nation achieve its goals of cleaner air and lower greenhouse gas emissions, and to ensure that regulatory standards are technology feasible, cost effective, and successful. By continually improving commercial vehicle and powertrain technologies, EMA’s members are in the forefront of providing clean and efficient products that meet their customers’ business needs and protect the environment.
